

HOOVER RESTAURANT WEEK *Curbside Edition*

Practice social distancing in your car! Thanks to the coronavirus, Hoover Restaurant Week is kicking into high gear early with a special **Curbside Edition!** Eating inside our restaurants may be off limits for now, but you can support locally owned eateries by ordering curbside.

Order a meal from these Hoover restaurants, and pick up your meal curbside. Present this card when you pick up your food, and the restaurant will stamp their square. Keep your card and return it to **The Whole Scoop Ice Cream Shop**, 1021 Brock's Gap Parkway, Hoover AL 35244, after restaurant dining rooms are opened again.
